9-12 FEBRUARY

NN Art Award

This year, the NN Art Award will be presented for the seventh time at Art Rotterdam. This award is intended for an exceptional talent who has followed his or her education in the Netherlands and whose work can be seen at the fair. NN Group has been a partner of Art Rotterdam since 2017, awarding a yearly incentive prize to extraordinary contemporary art talent with an innovative and authentic perspective and visual language. Each year a new jury of art professionals selects four promising talents, from which a winner will ultimately be chosen and announced on Wednesday 8 February.

The winner will receive the incentive prize of €10,000. NN Group will also purchase a work from one of the nominees for the NN corporate art collection.

You can see the works of the four nominated artists at the NN Art Award booth at the fair (booth 31).

This year's nominees are:
