

ART ROTTERDAM

Save The Date

27 - 29 March 2026, Rotterdam Ahoy

Following a successful first edition at Ahoy Rotterdam in 2025, Art Rotterdam returns to the south side of the city. The next edition will take place at the same location, from Friday 27 to Sunday 29 March 2026. And this is not just another edition: Art Rotterdam 2026 will offer visitors clear added value. The fair will be enriched by a compact, sharply curated photography section presented under the well-known title Unseen Photo.

Unseen Photo @ Art Rotterdam

Art Rotterdam has built a strong reputation as a multidisciplinary art fair, bringing together a wide variety of sections under one roof. The addition of a high-quality photography section, alongside the existing programmes for video art, sculpture and large-scale installations, strengthens the fair's appeal to a young and international audience. The identity and mission of Unseen - discovering and supporting emerging photographic talent - will be fully preserved.
